Dear Sirs,

SUBJECT

Thank you for your letter of July 9th. I am very grateful to you for obtaining coverage for the insurance of the "Packaged Coast" project.

I also look forward to receiving the letter you mentioned, which we could use for publication.

The scheme has grown to enormous size and the University of N.S.W. is doing a technical investigation and there is an off-chance that the project will have to be postponed for a few months, to take advantage of the best seasonal conditions for wind, tides, rainfall, etc.

As soon as I have the final outcome I will advise you immediately. Once again, thank you for your help.

Kind regards,

Yours sincerely,

\*\*\*\*\*  
JOHN KALDOR.
